To the Attendees at the Launch Event for Credit Education Week Canada:

On behalf of the Ministry of Education, I am pleased to send best wishes to all those attending the launch of this year's Credit Education Week Canada at W. A. Porter Collegiate Institute.

I understand that this presentation will offer to secondary students timely information about handling their personal finances. Education is about more than just learning to read and write. I am confident that this presentation will raise students' awareness of personal financial management and offer valuable support now and into their future.

I commend Credit Canada for organizing this useful presentation. Once again, I extend my warmest wishes to you all.

Sincerely,

A handwritten signature in cursive script, reading 'Kathleen Wynne'.
